

REQUEST FOR PROFESSIONAL QUALIFICATIONS

Hanover Public School District Receives School-Wide Title I funding and are included under the regulations of the "No Child Left Behind Act" (NCLB) that was signed into law by President Bush on January 8, 2002.

Under NCLB, parents have a right to request professional qualifications of their children's teacher(s) or paraprofessional(s). The information below is to inform you of your right to ask for the following formation about your children's classroom teachers and Title I paraprofessionals:

- Whether Pennsylvania has licensed the teacher for the grades and subjects he or she teaches.
- Whether the teacher is teaching under emergency or other provisional status through which Pennsylvania licensing criteria have been waived.
- The teacher's baccalaureate degree major and whether the teacher has any advance degrees and if so, the subject of the degrees.
- Whether the child is provided services by Title I paraprofessionals and, if so, their qualifications.

If you would like to receive specific information about your child's teacher or paraprofessional, please contact your school principal.

Our district is fully committed to the success of your child. We appreciate your partnership in our efforts to provide the best education for your child.
