Our Mission

The Hanover Public School District is committed to excellence in education by nurturing, challenging, and inspiring all students to achieve their full potential and to become productive citizens in a global community.

Congratulations, Senior Class of 2022

A Message from Superintendent Dr. John A. Scola

As this year came to a successful closure, I want to congratulate the class of 2022. On behalf of the Board of Directors, I want to thank everyone involved for your ongoing support of the Hanover Public School District and our students and staff. This year once again brought us challenges, but it also brought us together. We are so proud of the positive impact the district has been able to have on students and their families when they needed us the most. The commencement exercise held at Sheppard & Myers Stadium on May 26th was yet again a testament to our ability to push through adversity, control the circumstances that surround us, and use every means at our

disposal to meet the needs of the students.

The class of 2022 has accrued an outstanding record that has brought a great deal of prestige to Hanover High School. I am proud to announce that the graduating seniors from the class of 2022 have earned \$2,490,800 in scholarships from technical schools, community colleges, colleges, and universities, and \$568,215 from local organizations and generous individuals. In total the class of 2022 has amassed \$3,059,000 in scholarships and awards!

Have a safe, healthy, and relaxing summer. We are looking forward to welcoming back the students on August 25th - the first day of school.

This year, a total of \$3 MILLION in scholarships & awards were granted!

For Fall: A New Turf Field at Sheppard & Myers

Sheppard & Myers will have a brand-new playing surface in the fall. Construction has begun on the installation of a turf field. This will enhance and expand opportunities for use by our athletic teams as well as the Nighthawk Marching Band. The new playing surface will be ready for fall competition in 2022.

It's Official: 0% Tax Increase for Three Consecutive Years

On Monday, May 9, 2022, the Board of School Directors unanimously approved the 2022-2023 budget. The budget calls for a 0% tax increase. This is the third year in a row that the district has had a 0% tax increase.

For the 2022-23 School Year:

Immunizations

Please check with your doctor to ensure your child's vaccines are up-to-date, and provide an updated record to the school nurse. In addition, the following immunizations are specifically required for these age groups prior to the start of the 2022-2023 school year:

- 7th grade: TDap (Tetanus) and MCV (Meningitis) immunization.
- 12th grade requirement: MCV (Meningitis) immunization.

Physicals

Are a state requirement for all K/1, 6th and 11th grade students. Please provide a copy to the school nurse. (Note: a sports physical or driver physical is also acceptable for 11th grade students.)

Dentals

Are a state requirement for all K/1, 3rd, and 7th grade students. Please provide a copy to the school nurse.

HPSD Health Services

Feel free to visit our "Health Services" under Quick Links on the HPSD home page. Required medical forms are found on this page along with other important information related to PA state school health requirements and your child's health while in school. This page will be updated as needed or once a month. Please contact the school nurse with any questions.

All Nighthawk Athletes & Parents

All student-athletes must have a current physical on file to be eligible for athletics. Physicals may be completed at a family doctor or medical express clinic and must be dated June 1, 2022, or after. Heat Acclimation for Varsity Football starts August 8. The first day of practice for all other fall sports is August 15. For any questions, please refer to the HPSD athletic website by visiting [sites.google.com/hanoverpublic.org/hpsdathletics/home!](https://sites.google.com/hanoverpublic.org/hpsdathletics/home) Fall sports sign-ups will be done virtually, and have been posted on the athletics website, Twitter and Firefly.

Thank You *Retirees!*

District administrators and the school board recently recognized district employees retiring at the end of the 2022 school year with a celebration. Through their years of service and hard work, these staff members contributed to making HPSD a great place for students to learn.

Pictured from right: Brian Frederick, Board President; Randy Hansford (8 years), Mary Deery (35 years), Barbara Sanders (25 years), Caren Evans (35 years), Annette Mummert (24 years), Victor Miller (4.6 years), Dr. John Scola, Superintendent.

Not pictured were Bonnie Bowers (30 years), Connie Harness (17.5 years), William Shorb (21 years), Mark Williams (27 years), and David Zabel, Jr., (23 years).

Mechatronics & Drone Certification Courses

Dr. John A. Scola, Hanover Public School District Superintendent, has worked collaboratively with administration and staff to transform Hanover High School from a traditional high school to a fully comprehensive high school. As a result, Hanover High School students can now participate in a variety of career and technical education programs as well as a number of other credentialing programs. These opportunities allow students to learn additional real-world, applicable skills that are essential in preparing graduates to be both career and college-ready.

In the 2019-2020 school year, Hanover High School became one of the first schools in the United States to offer an accredited Drone Piloting course. This cutting edge, visionary program enabled the school to continue to provide our students with a robust course offering that incorporates 21st century skills and emerging technologies. The class is taught by Lisa Fry, an Art and Technology Education certified teacher, and supported by David Fry, Director of Technology. The Drone Piloting curriculum includes units on weather patterns, laws and safety protocols to follow, how to build a drone from a kit, and how to disassemble a drone. Students have the opportunity to learn how to fly and operate two different types of drones. Upon successful completion of this class and curriculum, students are able to take their Aeronautical Knowledge Test. To date, Hanover High School has had four students successfully complete this rigorous exam. This 21st century career has a multitude of pathways for our fortunate students,

with potential jobs within real estate, agriculture, sporting events, and global information systems.

In the fall of 2019, Hanover High School, through the generous support of Utz Brands, Inc., implemented a state-of-the-art Mechatronics lab to their expanding list of career and college programs. Since that time, over 50 students have completed coursework in this multidisciplinary field of science, which combines mechanical engineering, electronics, computer engineering, systems engineering, and control engineering. The main goal of the Mechatronics Program is to provide students with the necessary skills to enter the workforce and become productive citizens in the local and global community.

Additionally, Hanover High School partnered with HACC-Gettysburg to align the high school curriculum with the first two courses of the HACC Mechatronics Associate Degree Program. Through an articulation agreement, students from Hanover High School who are successful in the program and enter the HACC-Gettysburg Mechatronics Program, will receive eight college credits.

Over the past three years, multiple students have participated in various Pre-Apprenticeship opportunities at Utz Brands, Inc., and Elsner Engineering Works, Inc., providing hands-on experience in the workplace during the school day. These opportunities in high school have led to full-time employment and serve as perfect examples of how collaboration and support from all stakeholders lead to successful and innovative programs and careers.

First Day of School for all Students: Thursday, August 25

Back-to-School Nights:

August 22

Kindergarten, 6-7 PM

Grade 5, 7-8 PM

August 23

Grades 1-4, 6-7 PM

August 30

Grades 6-8, 6:30-7:30 PM

September 8

High School, 7-8:45 PM

Link Crew Freshman Orientation

Wednesday, August 24

Hanover High School is excited to welcome the Class of 2026 on Wednesday, August 24, 2022, from 8 AM-11 AM. In preparation for the incoming 9th grade students, we have already selected 48 upperclassmen Link Crew Leaders who will complete leadership training this summer with a common purpose - to welcome, support, motivate, and inspire the Class of 2026.

Link Crew is a nationally recognized high school transition program built on the belief that students can help other students succeed. Incoming freshmen will receive support, guidance, and tutoring from their Link Leaders on the day of orientation and beyond.

Throughout the school year, Link Crew Leaders will be developing additional mentoring and tutoring programs to address academic and social needs of all students.

For more info on orientation, or future mentoring and leadership programs, please contact:

Mr. David Harnish, Transition Coordinator

637.9000, Ext. 5015

Best Music Community Two Years in a Row!

HPSD is one of the recipients of the national "2022 Best Communities for Music Education" award for the second year in a row! This is a national award given out by the National Association of Music Merchants (NAMM). This award program recognizes outstanding efforts by teachers, administrators, parents, students, and community leaders who have made music education part of a well-rounded education. Designations are made to districts and schools that demonstrate an exceptionally high commitment and access to music education.
